

INDIAN TECHNICAL TEXTILE ASSOCIATION

Circular No: 29/2021-22

Date: 24.09.2021

Subject: Identify Research topics on (i) Sportech, (ii) Meditech, (iii) Mobiltech and (iv) Biodegradable Technical under NTTM scheme

Dear ITTA Members,

Greetings from ITTA!!!

As you are aware that under the **National Technical Textile Mission, funds have been allocated under the R&D of new products**. In this regard there was a Stakeholder's meeting (in VC mode) with the Joint Secretary, MoT on 23.09.2021 to identify research topics on (i) Sportech, (ii) Meditech, (iii) Mobiltech and (iv) Biodegradable Technical Textiles. The enclosed meeting notice will give you more insight on the subject.

Many of you, as invited by the Textile ministry, joined the VC meeting & gave your inputs on 23.9.21. However, the Joint Secretary, MoT advised us to get more feedback from all other ITTA members.

1. There is a pre-condition that all the R&D projects will be in collaboration with a National Level Research Institute/GOVT. Research organizations/COEs, etc. ITTA can also help you in making tie-ups with these Institutions, if you so desire. Funds will not be directly given to companies. You can get more details from the earlier GOI circular (ref Annex-1 enclosed).

2. We assure you that your ideas/proposals will be kept confidential and will be shared with MoT only.

3. Initially you can give your ideas/proposals, in brief, writing the following points -

- TITLE OF PROJECT =
- JUSTIFICATION (5 lines) =
- BENEFITS TO THE INDUSTRY/ECONOMY =
- INNOVATION/DEVELOPMENT IDEA, IN BRIEF (max 8-10 lines) =
- APPROXIMATE COST OF PROJECT =

4. We request our COE members that if you need tie-ups with ITTA members for any such Project ideas, please let us know.

5. We also request you to give your reply by Monday, 27th Sept, 2021 to **Ms. Ruchita Gupta - officeed@ittaindia.org**, as the next meeting is scheduled on the same day afternoon.

Best Regards,

Dr. Anup Rakshit
