Circular No: 47/2021-22

Date: 05.01.2022

**SUBJECT: SURVEY TO COLLECT INFORMATION FROM THE TECHNICAL TEXTILE PRODUCT MANUFACTURERS on the machinery that are available in India and/or Imported from other countries**

Dear ITTA Members,  
Technical Textile Product Manufacturers

Greetings from ITTA!!!

As you are aware that the majority of the machinery/ technology used by the Technical Textile (TT) Industry in India are imported from various countries and very few are manufactured in India. ITTA has therefore pro-actively taken an initiative to carry out a **SURVEY TO COLLECT INFORMATION FROM THE TECHNICAL TEXTILE PRODUCT MANUFACTURERS - on the machinery that are available in India and/ or Imported from other countries.**

The purpose of this Survey is to reach out to all ITTA members who had imported Machinery/ Technology (fully or partially) for producing TT products. On similar lines, we initiated a Survey (separately) with the Indian Machinery manufacturers and importers as well.

Data will help us to carry out a **"Gap Analysis" & "Create a Development Strategy" on the Technical Textile Machinery Development** in India.

ITTA has made a collaboration with TMMA in this activity and we propose to organize interactive Webinars/ Meetings with machinery manufacturers also. We plan to jointly work on this Project and submit a Report to the Textile Ministry & Ministry of Heavy Industries that would benefit the technical textile industry.

In view of the above, we request ITTA Members to **please fill up the attached FORMAT and send it to us at the earliest to our email ID: [officecd@ittaindia.org](mailto:officecd@ittaindia.org) positively by 12th January 2022.**

Awaiting your quick response in the matter.

Best Regards,

*Dr. Anup Rakshit*

*Executive Director*
