**Subject: Feedback on the List of Technical Textiles items falling under Others Category/
Require New Codes**

Dear ITTA Members,

Greetings from ITTA!!!

We are pleased to inform you that as a result of ITTA's persuasions for the last about 2 years. Ministry of Textiles (MOT) has taken initiative to identify all Technical Textile (TT) products in addition to 207 HSN Codes approved by Government of India in January 2019.

1. The objectives are –

- i. To identify TT Existing Items Having HSN Codes (Other than 207 items- List enclosed).
 - ii. To identify Items falling under OTHERS Category Requiring allocation of New HSN Codes, which industry is currently booking under Others category.
- 2.** To execute it, MOT has constituted a Technical Committee taking Associations & industry representatives from all key TT segments. The timeline for submission of Report/ List by the committee is 30 days.
- 3.** We did this exercise earlier also. Those who had given Feedback earlier need not to give it again - we have already submitted the same to MoT earlier.
- 4. As required by the MoT/ MOC&I/ Revenue Dept, please fill-up the enclosed FORMAT by following the guidelines given below -**
- i. Fill-up "Current HSN Code with Description" vs "Proposed description", "Sales Value (last 3 years)", you need not to give "Proposed New HSN Code" - as it will be done at a later stage.
 - ii. Do not change the Excel format, i.e., rows/ columns.
- 5. We therefore request all ITTA members to kindly send us the filled-up Format to us urgently, but not later than 6th September 2021.**

Best Regards,

Dr. Anup Rakshit
